THE LYME ART ASSOCIATION

The Lyme Art Association has attained a distinctive position in the art world. It is composed of many noted artists and those associated with the arts, and its annual exhibitions are eagerly anticipated by patrons from all over the country. It had its origin at the beginning of this century in a group of some of America's most distinguished painters who came to the home of Miss Florence Griswold for a season to paint the landscape of Old Lyme. That the colony returned and grew into the present organization is indeed the logic of success. Yet it is more than success. It is the influence of a varied, luxurious, subtle landscape that crowds the banks of the Lieutenant River, dotted here and there with a picturesque lake or broken by glacial rock formation giving the vistas the appearance of a miniature "big" country. Certainly for the painter it is a constant inspiration and nearly every Museum of Art in the United States possesses interpretations of its contours and moods.

The Art Gallery, built in 1921, was designed by Charles A. Platt. Its lighting is perfect and architecturally it is in complete harmony with the old New England village.

The Association is now interested in increasing its membership in order to carry on and broaden its influence in the artistic education of the country and thereby aid in raising the standard by which a nation is judged.

PAINTINGS

Paintings and Sculptures are for sale and prices may be obtained from the gallery attendant. Purchases will not be removed from the walls until the close of the exhibition, when they will be packed for shipment. Transportation charges are to be borne by the purchaser. All checks should be made payable to Joseph E. Bulkley, Treasurer, Lyme Art Association.
